

wWinMain

```
graph LR; A[wWinMain] --> B[Win32Application::Initialize]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'wWinMain'. The right box is gray with a black border and contains the text 'Win32Application::Initialize'. A blue arrow points from the right side of the white box to the left side of the gray box.

Win32Application::Initialize
